

Privacy Policy

1. Information We Collect

Category	Examples	Legal Basis*
Identifiers	Name, email, TradingView username	Contract, Consent
Usage Data	Page views	Legitimate Interest
Payment Data	Payments securely processed via Gumroad	Contract

*Under GDPR/CCPA where applicable.

2. How We Use Data

Fulfill orders and grant TradingView access.

Send product updates, educational content, and occasional promotions (opt-out anytime).

Improve performance and security of our services.

3. Cookies & Analytics

We use privacy-focused analytics (Plausible) and session cookies for login persistence. Plausible is cookieless and stores no personal data.

4. Sharing & Disclosure

We never sell your data. Third-party processors: Gumroad (payments), TradingView (script delivery), Plausible (analytics).

5. Data Security

AWS S3 encrypted storage; access controlled under the principle of least privilege.

6. Retention

- Email: Only retained if you subscribe; removed immediately upon unsubscribing.
 - TradingView Username: Retained permanently to ensure uninterrupted lifetime access to the indicator.
 - Transaction Data: Retained for 5 years (tax compliance).
-

7. Your Rights

Access, correction, deletion, portability, and objection. Email support@azrosystems.com.

8. Children

Services are not directed to individuals under 18.

9. Changes

We will email registered users and post a notice of material updates.

10. Contact

support@azrosystems.com

Risk Disclaimer

Trading cryptocurrencies involves substantial risk and may not be suitable for all investors. Always conduct your own due diligence and consult a licensed financial professional before trading. See Risk Disclosure for important limitations and risk-management requirements.

Note: Throughout this document, "Detector" may appear in marketing copy, but the official TradingView listing is titled "Indicator"—both refer to the same XRP Top/Bottom model.

Risk Disclaimer — Educational content only. Trading cryptocurrencies involves substantial risk; you can lose your entire investment. Past performance does not guarantee future results. AZRO Systems™ / Azro Labs LLC (UT Entity #14569235-0160) provides standardized trading indicators and is exempt from CFTC registration under Rule 4.14(a)(9). AZRO Systems never accepts funds or places trades on your behalf. Always perform your own due diligence and consult a licensed adviser.
