To Whom it may concern.

My name is Tyrell McWaters. I am currently incarcerated in Jerome County Jail on charges of drug possession. I went in search of those drugs and used those drugs because prescription drugs for the bad discs in my neck are to expensive. Since being locked up I've realized that the same thing is Happening to most of the inmates in Here, Yet instead of drugs it's Knowledge and education. What little bit we are able to get from our facility is to expensive, So we turn to what is readily available, Which in turn teaches us to be more of a criminal than we were in the first Place. If we want any Hope of reforming our inmates, we have to offer them the tools they need to rehabilitate and re-enter Society or else they will Just Keep coming Back.

Thank You.
